Bachelor of Education (Early Childhood- Special Education)

The ***Bathurst Early Childhood Intervention Service (BECIS)*** Sector Capacity Building (SCB) Project Officer, Lucinda Jones, has over 20 years experience working in the Early Childhood Profession in regional and rural NSW.

Lucinda has been providing the Department of Education NSW Sector Capacity Building Program to Preschools since 2021, and also specialises in Early Intervention and the Key Worker role.

Lucinda is passionate about inclusion and recognising every child's right to inclusion, equity and fairness. Lucinda believes that supportive, reciprocal, respectful and professional relationships with Preschools is imperative in building a Service and its Early Childhood Professionals capacity to provide high quality inclusive education and care.
