Bachelor of Education (Early Childhood and Primary)

The Orana Early Childhood Intervention Dubbo based team, Karen and Belinda have collectively 33 years experience working in the Early childhood sector in rural NSW. Both have specialised in Early childhood intervention particularly in the last 3 years and have been working on the Dept. Educations' Sector Capacity Program. They are passionate about seeing children reach their potential and assisting preschools to enhance their inclusion practices through training, development of resources, best practice and research.
